“My greatest wish is that my children will always know just how much I love them and for the rest of their lives will know that no matter what, I will always be there for them, any way I can.

My children are a gift, and I will treasure mine forever.”

The Healthy Fathers & Healthy Infants Initiative receives funding from the Michigan Health Endowment Fund and the Michigan Department of Health and Human Services

HEALTHY START DETROIT
HEALTHY FATHERS &
HEALTHY INFANTS INITIATIVE

The Healthy Fathers & Healthy Infants Initiative is an extension of the Healthy Start Detroit program.

We aim to strengthen families by providing fathers and partners with support and encouragement.

WHO WE ARE:

The Healthy Fathers & Healthy Infants Initiative is an extension of the Institute for Population Health, Healthy Start Detroit program. We strengthen families by providing resources and support to fathers whose partners are in Healthy Start.

WHO CAN PARTICIPATE:

Fathers of young children living in Detroit.

HOW CAN WE HELP?

- Child support advocate
- Expungement resources
- Employment resources
- Home visits for Dad
- Fatherhood resource packet
- Health screening and referrals
- Health insurance enrollment
- Man- to -Man fatherhood group
- Father-friendly activities
- Link you to community resources
- Screening for infant growth and development
- Maternal Child Health— answer questions about pregnancy, caring for your baby, and breastfeeding

Did you know that positive father involvement contributes to child health and wellbeing? Children with involved fathers have greater success in school, fewer behavioral problems, and more self-confidence.
